We would like to have the Moanalua High School athletes be role models and take an active role in assisting our school. LUNCH DUTY allows our athletes to “give back to the school” and help the cafeteria staff. LUNCH DUTY consists of athletes being released 5 minutes prior to the first lunch bell and returning to their next class on time after the lunch bell. They will assist with the serving of meals and general clean-up and enjoy a free lunch for their service. It is imperative that you prep your athletes and have them work during lunch duty. They are representing our Athletic Department!

(schedule is subject to change)

Please complete the LUNCH DUTY FORM – list athletes’ names that will work, make 1 copy for each player, distribute to players and have them show it to their teacher for early release. Also, email the completed lunch duty form to the cafeteria manager (Laurie Hayashida) at: Laurie_Hayashida@notes.k12.hi.us

SEND ONLY 13-15 ATHLETES PER DAY TO WORK
